

Viet Nam Immersion Program

Space of Encounter | Volunteer Teaching Opportunity

Dear Friends and Prospective Volunteers,

We are excited to invite you to join our volunteer teaching team for the **Viet Nam Immersion Program**. Organized by *Space of Encounter*, this program offers a unique opportunity to serve local youth, experience cultural exchange, and build meaningful relationships through educational ministry.

We are seeking dedicated English-speaking volunteers—including adults, young professionals, college students, and teenagers accompanied by families—to go to Việt Nam and teach conversational English to children in **grades 5th through 12th (ages 9 – 18)**.

Program Overview

The primary mission of the Viet Nam Immersion Program is to empower young students through language learning and character development. Volunteers will serve as teachers and mentors, creating a welcoming and engaging environment for students to practice English.

- **Language Instruction:** Teach conversational English, vocabulary, and reading comprehension through interactive daily classes.
- **Youth Mentorship & Activities:** Lead educational games, group activities, music, and social virtues development.
- **Community & Fellowship:** Work alongside local religious sisters, community leaders, and fellow volunteers in a spirit of collaborative service.
